56	Michael Saunders.....	Fossil sales.

All of the displays are manned by people who will be happy to help with the identification of any minerals or fossils that you may have found. Please bring them along.

Show Features

The Show occupies two separate halls, one for sales and one mainly for displays. In the Linden Hall you will find dealers selling minerals, fossils, rocks, meteorites, dinosaur ephemera, gemstones, crystals, books and equipment for the mineral or fossil collector. The Pine Hall is mainly for displays by various groups and institutions about minerals, rocks, fossils and geology in general and SMFS members selling surplus specimens at very reasonable prices. All the exhibitors are very knowledgeable about their subject and will welcome your queries.

We are pleased to be welcoming back Hampshire Museums Service with more material from their extensive local geological collection; Dinosaur Isle Museum from the Isle of Wight with a stunning selection of Isle of Wight fossils and the Dorset Group of the Geologists' Association profiling their activities in the studying and recording of Dorset geology.

Various members of the Southampton Mineral & Fossil Society have mounted displays on their individual interests in fossils, rocks, and dinosaurs trade cards.

Each stand is manned by members of the group concerned, and they will be glad to answer any questions you may have.

Please have a good day!

To learn more about minerals or fossils why not join Southampton Mineral & Fossil Society?

We meet on the third Tuesday of each month at the Friends' Meeting House, Ordnance Road, Southampton at 19:30. Further details from Gary Morse on 01489 787300 or on our website: www.sotonminfoss.org.uk. You can ask any of our members here today if you would like more information and you are welcome to come along, with no obligation, to our next evening meeting at 19:30 on the 20th September and enjoy an illustrated talk on "Corals from Ancient Seas" presented by SMFS Chairman Mr Phil James.

Next Year's HAMPSHIRE MINERAL & FOSSIL SHOW

will be held on the first Saturday of September,

2nd SEPTEMBER 2017

at Lyndhurst Community Centre, Lyndhurst.

Put it in your calendar now and we look forward to seeing you there.
